MEMORANDUM FOR: Deputy Director for Science and Technology

ATTENTION :

[REDACTED]

25X1

SUBJECT :

Intelligence Museum

REFERENCE :

Memorandum from Mr. Colby, 29 September 1972,  
Same subject

1. Because Mr. Colby's memorandum was directed to the four Deputies, it is presumed that representation on the Intelligence Museum Commission would include members of the appropriate career services. It would appear, therefore, that a member of the R Career Service should represent DD/S&T.

2. If for some reason this is not considered a significant point, I suggest [REDACTED] as the DD/S&T member.
